### **GENERAL RULES FOR EXHIBITORS**

All sanctioned classes are open to Jack Russell Terriers only.

Exhibitors and owners of terriers entered must be current JRTCA members, and MUST not be a member of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT organization registry. If exhibitor is found to be in violation of this policy, entry will be disqualified and no refunds given. If violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they enter.

Entries MUST be within the 10-15" JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10" height standard); measuring devices will be available on trial grounds.

Puppies (under 12 months of age) are not eligible for championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (not 16 weeks). A puppy's age is the actual age the pup is on the day of the trial.

Bitches in season may not compete in any division. Pre-entry fees of bitches in season will be refunded with a veterinarian certificate from the owner or as otherwise agreed upon by the Trial Chairperson.

Spayed or neutered terriers may compete in Miscellaneous Conformation. They may not compete in Puppy, Family\*, Open or Working Conformation. \*Note: For Family Classes, Brood Bitches and Stud Dogs entered may not be spayed/neutered. The off springs at their sides may be intact or spayed/neutered.

A terrier bred by a Sanctioned JRTCA judge may not be shown under that Judge in the conformation division.

Terriers owned or co-owned by the Trial Chairperson, or any member in their household may not be entered in any phase of the competition with the exception of the Child and Youth Handling classes.

Terriers owned by judges may not be entered in the division in which they are judging, but may enter the competition in any other division.

Terriers owned by stewards may be entered in any division provided they find a substitute to perform their duties or have someone else show their terriers.

Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number, or by the Judge EXCEPT in racing. Request for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR if the classes are split by gender, may call for the measurement of a terrier of the opposite gender in the same age and height category.

(Example: The owner of any under adult dog entered in Racing may call for measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races). Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of entire classes will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. Only JRTCA height cards issued after September 1999 will be honored.

Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited in the Conformation ring and may result in the exhibitor being excused from the class. "Excessive use" will be at the judge's discretion.

Exhibitors participating in the JRTCA Working Terrier classes or Certificate Go-to-Ground must submit appropriate JRTCA certificates with pre-entries or at the time of post-entry. The Judge may require a copy of the certificate be presented to the Ring/Den steward at the time of judging. Registered terriers may submit a copy of NHC certificate signed by a JRTCA Working Judge within 30 days of the date it was issued.

Puppies under the age of three months are not permitted on trial grounds. Any person violating this rule will be excused from all classes entered, and asked to leave the trial site.

All dogs must be leashed or crated except when competition requires off leash work. No liberty leashes allowed.

Overly aggressive dogs, or an owner's failure to control their dog, may result in disqualification at the discretion of the Judges or Trial Chairperson.

The abuse of dogs or severe disciplining of dogs on the trial grounds is prohibited. Anyone demonstrating such behavior

will be asked to leave the trial site and no entry fees will be refunded.

Dogs, other than JRTs, on the grounds may be excluded or permitted at the discretion of the Trial Chairperson. Exhibitors are responsible to double check the classes they have entered and be on time. No refunds will be given for missed classes. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be obtained by contacting the JRTCA office (410-561-3655) or downloaded from the JRTCA website ([www.terriers.com](http://www.terriers.com)).

Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated. Anyone demonstrating such conduct will be asked to leave the trial site and no entry fees will be refunded. In addition, such conduct will be subject to penalties which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their sole and absolute discretion.

All dogs brought to JRTCA sanctioned trials must be current on vaccinations. No dog of any age may be brought to a trial that have suspicion of contagious or infectious disease.

**THE JUDGES' DECISIONS CONCERNING PLACEMENT ARE FINAL IN ALL DIVISIONS!**

### **Racing Rules**

1. ALL TERRIERS MUST BE MUZZLED! Plastic basket muzzles or close-ended cloth muzzles only. No figure eight or open-ended muzzles will be allowed. **No colored plastic muzzles allowed.**
2. Any terrier entering the catch area during a race without a secured muzzle will be disqualified. No refund will be given.
3. Exhibitors must have entries ready to race, be aware of their classes, and be ready when called. In the event a heat is missed, permission to run in a later heat is granted at the discretion of the racing judge or steward. There are no refunds for missed classes.
4. Once entries are loaded into the starting gate, all handlers shall proceed to the finish line and be ready to receive their terriers.
5. In a hurdle race, any entry going around the jumps will be disqualified.
6. Senior hurdle races must be run over lower height hurdles.
7. If a brush or lure is caught or in some way, or the movement or lack of movement of the lure delays or alters the forward motion of any terrier (i.e., almost caught or flies outside the track) the race will be rerun.
8. Entries must cross the finish line completely to place in a race. The finish line is the backside of the barrier. First to the hole is not necessarily first through the hole!
9. Any terrier engaged in fighting shall be disqualified by the Racing Judge from any further racing. No refund will be given.
10. Racing Champions are determined by a run-off of the first-place terrier in each class in each section. To be eligible to run in the Championship race, the terrier **MUST** have entered and **RUN** in both the flat and steeplechase classes. A terrier that is not entered in both classes or has not run in both classes is not eligible to run in the Championship race. In this case, the 2nd place terrier becomes eligible to run in the Championship race, assuming it was entered and ran in both classes.
11. Once the Racing Division has begun, **NO** requests for measurement will be honored.
12. Adult terriers may not cross-enter between Regular Racing Classes, Veteran Racing Classes and Senior Racing Classes.

**Racing Course Set-up: 300-foot track; up to 14-inch-high foam jumps; foam catch barrier; “Joe Bag” as the back stop; 30 foot catch pen with trained, experienced catchers. Designed for the safety of our terriers, our goal.**
